

ANNUAL REPORT 2019

What a year! Here's what life in Ddegeya looked like by the numbers...

Clinic

TOTAL PATIENTS SEEN

18279

TOP DIAGNOSED CONDITIONS

Hypertension	3347
Osteoarthritis	1648
UTI	1556
Peptic Ulcer	1475
Malaria	1702

MATERNITY CENTER

70	BABIES BORN
1908	VACCINATIONS
377	PRENATAL VISITS
80	POSTNATAL VISITS

300

ultrasounds were conducted with 1 donated machine!

TWELVE

VHT trainings to 20 Village Health Team members on topics like Tuberculosis, Epilepsy, Psychiatry, and Sickle Cell Disease.

CME

8 Continuing Medical Education workshops were led by US physicians, and Ugandan clinicians presented 2 CME sessions to the US visiting doctors.

Among them were courses such as Helping Babies Breathe and Helping Mothers Survive Pre-eclampsia & Eclampsia.

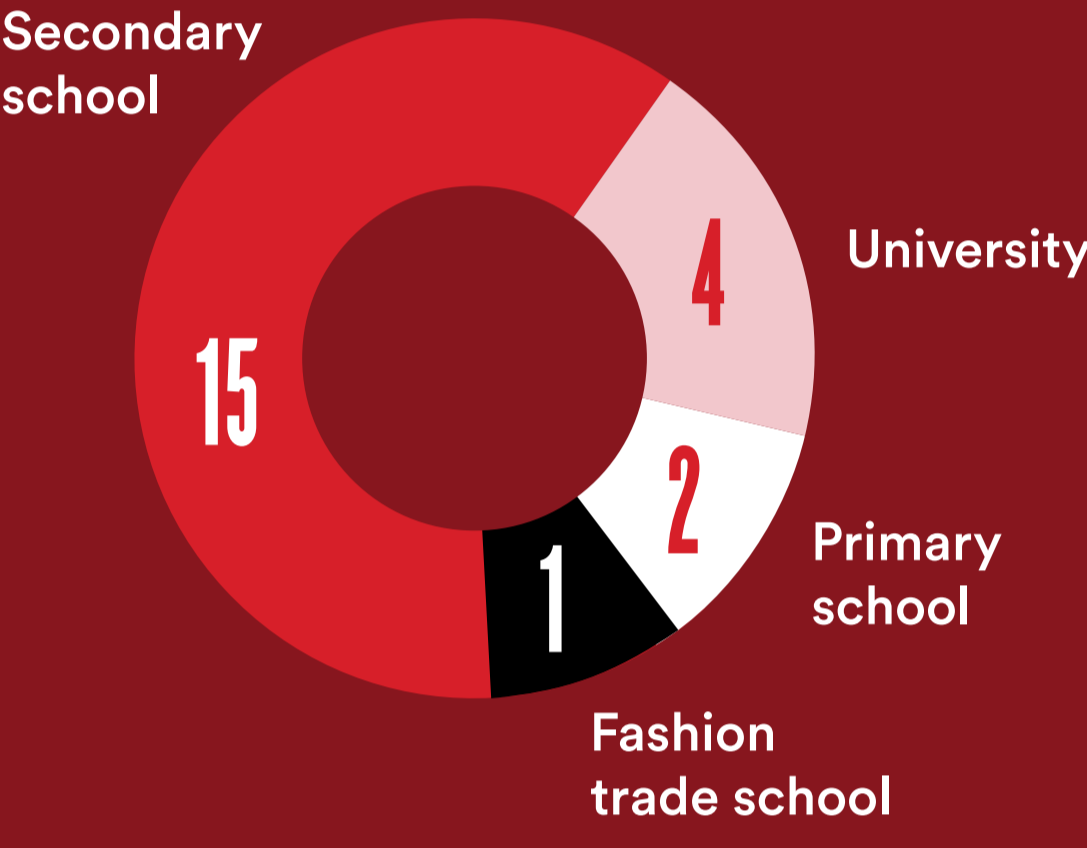

Scholars

ONE

Book Club created by Union College Minerva Fellows to engage our scholars and other local school children

FOUR

Days of Innovation Camp taught by Minerva Fellows to 20 of our scholars and local school children.

Community

14
Ugandan Staff

34
U.S. volunteers

9
Visiting US physicians

9000 people were served by Engeye's maintenance of village water sources – helping prevent the spread of water bourn diseases.

AT OUR ANNUAL HOLIDAY PARTY

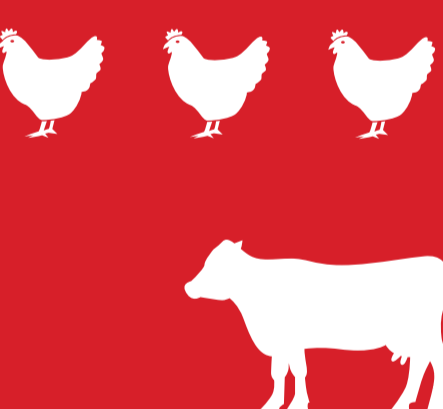

1156

local children celebrated

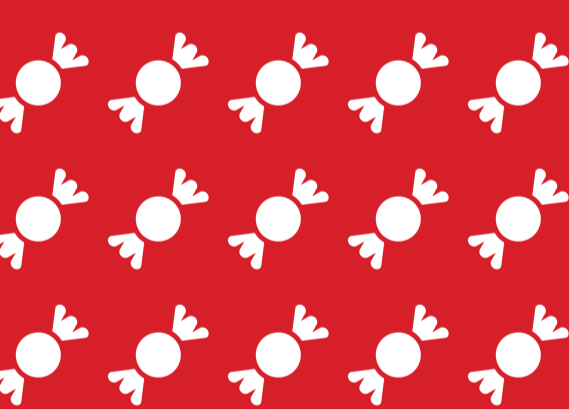

9

hours of dancing

1 cow and 20 chickens were used to feed partygoers.

1500 sweets and 1300 sodas disappeared into the bellies of the children.

Finances

OUR TOTAL REVENUE

\$164,783

EXPENSES

FUNDRAISING

Artisans

WOMEN ENTREPRENEURSHIP

SEVEN

skilled local women being trained and producing crafts.

SOME OF THE PRODUCTS CREATED...

100
coasters

75
trivets

300
bracelets

In the artisan center, lighting and furniture were upgraded and 2 new electric sewing machines were added.

Six new solar power panels were installed to keep the facility running all hours of the night. This installation promotes sustainability, lowers operation costs, and allows Engeye to be a 24/7 resource for expecting mothers and their families in the community.

This work was possible because of the support from our amazing donors. Donate today to help us continue this great work. Thank you!
